body language 32 most pdf

Body language is a type of nonverbal communication in which physical behaviors, as opposed to words, are used to express or convey information. Such behavior includes facial expressions, body posture, gestures, eye movement, touch and the use of space.

Body language - Wikipedia

Cat communication is the transfer of information by one or more cats that has an effect on the current or future behaviour of another animal, including humans.

Cat communication - Wikipedia

I'm going to preface this review with the fact that I have Aspergers; So there's a few social skills I have a natural difficulty with. For me these include things like reading body language, eye contact, determining if something is literal or figurative, etc.
